

U.S. Citizens and Nationals Applying for Medi-Cal Must Show Proof of Citizenship and Identity

A new law says *most* U.S. citizens or nationals applying to Medi-Cal must show proof of citizenship *and* proof of identity. Read below to see if this law applies to you.

If you are not a U.S. citizen, this law does not apply to you.

The new law does *not* apply to U.S. citizens or nationals in any of these categories:

- Anyone with:
 - Supplemental Security Income (SSI)
 - Medicare
 - Social Security Disability Insurance (SSDI)
 - Social Security Retirement and Survivors Insurance (RSI – Title II) based on their own disability
- Anyone under 21 asking for Minor Consent Services
- Babies born to women on Medi-Cal
- Children in Foster Care, Adoption Assistance, or Kin-GAP
- Babies in the Abandoned Baby Program
- CalWORKs Beneficiaries

What if I am not one of the above people?

If you are a U.S. citizen or national, you must provide proof of citizenship and identity to be eligible for Medi-Cal. (See *page 3 for a list of acceptable proof of citizenship and identity.*)

You cannot receive full-scope Medi-Cal benefits until you provide the proof.

U.S. nationals include people born in American Samoa (including Swains Island) and certain people from the Commonwealth of the Northern Mariana Islands.

What if I am NOT a U.S. citizen?

If you are not a U.S. citizen or national, you only need to provide the same documents that were required before. Nothing has changed.

How can I get proof of citizenship?

If you were born in California, the county may be able to get your birth record. (A birth record is proof of citizenship.)

Fill out a *Request for California Birth Record* to ask the county to request your birth record. Then, mail or take this form to your local social services office. If a birth record cannot be found, you will need to provide another proof of citizenship. See page 3 for list of acceptable documents.

Ask your county about getting proof of citizenship if you were not born in California. Contact the county to see if they have found a birth record match for you before you pay for a birth certificate.
